

The Flint Voice

5005 LAPEER RD., BURTON, MI 48509

January 6, 1983

Dear Sirs,

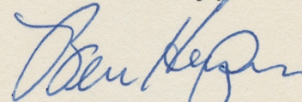

We host a weekly radio show ("Take No Prisoners" on WFBE FM 95) and review records for a bi-weekly alternative newspaper (The Flint Voice -circulation 21,000- soon to expand statewide as The Michigan Voice).

We do our best, but it is impossible to locate and purchase all of the independent records and tapes that we'd like to get on the air. We are appealing to independent labels for assistance in helping our program expand to even more inclusive heights. Our program is open to all kinds of music: rock, hardcore, arty stuff, reggae, funk, novelties, whatever.

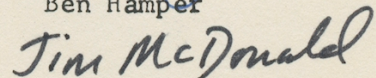

If you are interested in getting airplay (and Flint is only an hour away from Detroit, Ann Arbor and Lansing), we welcome you to send your records and tapes to:
